

THE BUSH CLUB INC.

INFORMATION FOR PROSPECTIVE MEMBERS

The Bush Club is a bushwalking club founded in 1939. It has a membership of about 600. Many of our members are very experienced bushwalkers and have a wealth of knowledge of the bush around Sydney and further afield which they are happy to share with new members. The main attribute we seek in new members is enthusiasm for bushwalking. Younger members are particularly welcome but the Club caters for all adult ages. We have a minimum age limit of 18 years. The Club is affiliated with the Confederation of Bushwalking Clubs (NSW) Inc and with a number of other organisations concerned with preservation of the bushland environment.

WALKS PROGRAMME

A wide variety of bushwalks is included in the programme. Most walks are one-day walks but there are also walks to more remote areas or over longer distances where the walk will take two or more days and members carry a full pack and camp overnight. Some trips comprise a series of one-day walks with a fixed camp; others involve moving between camps by car and there are some based on indoor overnight accommodation. The Club's activities, while concentrated around the Sydney region where most of our members live, extend over most of the attractive and interesting bushland areas of New South Wales and even interstate.

A Walks Schedule setting out the details of forthcoming walks is issued to members every three months. We also have email-based short notice walks whereby additional walks are notified at short notice to those members and prospectives wishing to be included on the circulation list.

You will find the walk grading system on our website, on the Bushwalking Programme page.

TRAINING PROGRAMMES

First-aid courses and Instruction in map-reading and bush navigation using map and compass are provided on occasional training days and weekends. Experienced leaders are happy to pass on their knowledge of bushcraft.

TRANSPORT

Walks are arranged so that members can use public transport whenever practicable and often this is the most convenient way to travel to and from walks. When public transport is not practicable, members' cars are used; leaders organise car-sharing arrangements and costs are shared according to a recommended formula.

LEADERSHIP AND MANAGEMENT

The leaders of Club walks are all volunteers from among the membership. We encourage new members to lead walks as soon as they feel confident to do so. Some walks are designated LTW (Leadership Training Walks) where aspiring leaders are trained and given experience on walks leadership during an actual walk. We also run occasional Leadership Training courses. However, you don't need to do any training if you feel confident about leading.

From the membership we also need to recruit people to hold positions on the Committee, the body responsible for the management of Club affairs. The Club's Annual General Meeting is held in August each year.

BECOMING A MEMBER

A person seeking to become a Member must become a Prospective Member by sending an application with the required fee (see below) to the Membership Secretary who will enroll the applicant and provide a copy of the current Walks Schedule. Prospective Members may participate in all activities of the Club including attending (but not voting at) general meetings. They are not restricted to attending particular walks. However, in all cases they are required to telephone the leader of each walk before they attend it and obtain his or her permission. The leader may ask about the Prospective Member's bushwalking experience, level of fitness etc so as to assess his or her ability to complete the walk.

Prospective Members become eligible to apply for full membership by satisfactorily completing three

membership qualifying walks. These are walks specifically designated as such with an M on the Walks Schedule. They are Grade 3 or higher. KEEP A RECORD OF THESE (date, route, leader) to include in your full application. All Prospective memberships expire on 30th June and we hope that Prospective Members will qualify for full membership by that date. However, if necessary they may renew their prospective membership for a further twelve months on payment of the annual prospective membership fee of \$40. The Club recommends that Prospective Members build up to the level of fitness required by first going on a series of easier walks, not necessarily qualifying walks, rather than attempting walks that may be beyond their capabilities. The Membership Secretary will be happy to suggest a programme of easier walks from the Schedule if asked to do so.

Prospective Members should recognise that bushwalking is a fairly strenuous activity; people who have not been exercising regularly or who have a medical condition affecting their fitness are urged to consult their doctor before walking with us.

Applications for membership from Prospective Members who have completed their three qualifying walks are to be sent to the Membership Secretary and will be considered by the Committee quarterly or earlier at the discretion of the Membership Secretary.

FEES

Fees are based on a single membership. However if two or more members have the same postal address there is a concession for household membership where only one copy of posted material is provided. The fees currently are:

Prospective members

Prospective membership fees per person vary quarterly according to joining date. (All expire on 30th June but may be renewed on payment of further annual fee.)

- Prospective member joining in QTR 1 (Jul-Sep) \$40
- Prospective member joining in QTR 2 (Oct-Dec) \$30
- Prospective member joining in QTR 3 (Jan-Mar) \$20
- Prospective member joining in QTR 4 (Apr-Jun) \$10

Prospective members may apply for full membership at any time after completing three qualifying walks (designated M in the walks program), and the prospective joining fee paid includes membership to 30th June.

Full Membership

Annual Subscription for full year ending 30th June. (renewal due 1st July)

Individual Membership	\$30
Household Membership (2 members at the same address)	\$50

For further information contact the Membership Secretary, Kevin Yeats on 9416 3526 or email bushclubmembership@hotmail.com
